NEW SPECIAL INTERNET BIDDING FEATURE:

Online proxy bidding ends at HA.com two hours prior to the opening of the live auction. Check the Time Remaining on individual lots for details. After Internet proxy bidding closes, live bidding will take place through Heritage Live, our NEW bidding software that lets you bid live during the actual auction. Your secret maximum will compete against those bids, and win all ties. To maximize your chances of winning, enter realistic secret maximum bids before live bidding begins. (Important note: Due to software and Internet latency, bids placed through Live Internet Bidding may not register in time and those bidders could lose lots they would otherwise have won, so be sure to place your proxy bids in advance.)

HERITAGE AUCTION GALLERIES

Dear Bidder,

Welcome to Heritage Auction Galleries' Final Session of FUN 2008 – presented by the Official Auctioneer of the Florida United Numismatists. We invite you to join us in Orlando, where you can enjoy lot viewing on a grand scale. When you combine the lots in the Platinum Night, Signature, and Final Session, you will have more than 10,500 coins to consider; add in the currency lots, and you have more than 16,000 numismatic treats. If you come to Orlando from NYINC, you will have the opportunity to view more than 18,000 Heritage auction lots, from about 1,000 consignors. Wow! For good measure you can toss in a couple thousand more lots of coins and currency from our weekly Internet Auctions at HA.com available that week. Wow again!

We want you to be tempted by this broad range of material, and then be irresistibly drawn to objects that you simply must own. That is why auctions are such fun to participate in.

If you cannot join us in Orlando, it is also easy to participate through the Internet at HA.com – and our new Heritage Live program, allowing you to bid via the Web directly in the auction, is growing incredibly popular. You should try this sometime! If you can visit the exciting FUN convention, please stop by and say “Hello.” Either way, good luck with your bidding!

Sincerely,

Greg Rohan
President

TERMS AND CONDITIONS OF AUCTION

Auctioneer and Auction:

1. This Auction is presented by Heritage Auction Galleries, a d/b/a/ of Heritage Auctions, Inc., or their affiliates Heritage Numismatic Auctions, Inc. or Currency Auctions of America, Inc., d/b/a as identified with the applicable licensing information on the title page of the catalog or on the HA.com Internet site (the "Auctioneer"). The Auction is conducted under these Terms and Conditions of Auction and applicable state and local law. Announcements and corrections from the podium and those made through the Terms and Conditions of Auctions appearing on the Internet at HA.com supersede those in the printed catalog.

Buyer's Premium:

2. On bids placed through Heritage, a Buyer's Premium of fifteen percent (15%) will be added to the successful hammer price bid on lots in Coin and Currency auctions, or nineteen and one-half percent (19.5%) on lots in all other auctions. If your bid is placed through eBay Live, a Buyer's Premium equal to the normal Buyer's Premium plus an additional five percent (5%) of the hammer price will be added to the successful bid up to a maximum Buyer's Premium of Twenty Two and one-half percent (22.5%). There is a minimum Buyer's Premium of \$9.00 per lot. In Gallery Auctions (sealed bid auctions of mostly bulk numismatic material) only, the Buyer's Premium is 19.5%.

Auction Venues:

3. The following Auctions are conducted solely on the Internet: Heritage Weekly Internet Coin, Currency, Comics, and Vintage Movie Poster Auctions; Heritage Monthly Internet Sports and Marketplace Auctions; Final Sessions. Signature Auctions and Grand Format Auctions accept bids on the Internet first, followed by a floor bidding session; bids may be placed prior to the floor bidding session by Internet, telephone, fax, or mail.

Bidders:

4. Any person participating or registering for the Auction agrees to be bound by and accepts these Terms and Conditions of Auction ("Bidder(s)").
5. All Bidders must meet Auctioneer's qualifications to bid. Any Bidder who is not a customer in good standing of the Auctioneer may be disqualified at Auctioneer's sole option and will not be awarded lots. Such determination may be made by Auctioneer in its sole and unlimited discretion, at any time prior to, during, or even after the close of the Auction. Auctioneer reserves the right to exclude any person it deems in its sole opinion is disruptive to the Auction or is otherwise commercially unsuitable.
6. If an entity places a bid, then the person executing the bid on behalf of the entity agrees to personally guarantee payment for any successful bid.

Credit References:

7. Bidders who have not established credit with the Auctioneer must either furnish satisfactory credit information (including two collectibles-related business references) well in advance of the Auction or supply valid credit card information. Bids placed through our Interactive Internet program will only be accepted from pre-registered Bidders; Bidders who are not members of HA.com or affiliates should pre-register at least two business days before the first session to allow adequate time to contact references.

Bidding Options:

8. Bids in Signature Auctions or Grand Format Auctions may be placed as set forth in the printed catalog section entitled "Choose your bidding method." For auctions held solely on the Internet, see the alternatives on HA.com. Review at HA.com/common/howtobid.php.
9. Presentment of Bids: Non-Internet bids (including but not limited to podium, fax, phone and mail bids) are treated similar to floor bids in that they must be on-increment or at a half increment (called a cut bid). Any podium, fax, phone, or mail bids that do not conform to a full or half increment will be rounded up or down to the nearest full or half increment and this revised amount will be considered your high bid.
10. Auctioneer's Execution of Certain Bids. Auctioneer cannot be responsible for your errors in bidding, so carefully check that every bid is entered correctly. When identical mail or FAX bids are submitted, preference is given to the first received. To ensure the greatest accuracy, your written bids should be entered on the standard printed bid sheet and be received at Auctioneer's place of business at least two business days before the Auction start. Auctioneer is not responsible for executing mail bids or FAX bids received on or after the day the first lot is sold, nor Internet bids submitted after the published closing time; nor is Auctioneer responsible for proper execution of bids submitted by telephone, mail, FAX, e-mail, Internet, or in person once the Auction begins. Internet bids may not be withdrawn until your written request is received and acknowledged by Auctioneer (FAX: 214-4438425); such requests must state the reason, and may constitute grounds for withdrawal of bidding privileges. Lots won by mail Bidders will not be delivered at the Auction unless prearranged.
11. Caveat as to Bid Increments. Bid increments (over the current bid level) determine the lowest amount you may bid on a particular lot. Bids greater than one increment over the current bid can be any whole dollar amount. It is possible under several circumstances for winning bids to be between increments, sometimes only \$ above the previous increment. Please see: "How can I lose by less than an increment?" on our website.

The following chart governs current bidding increments.

Please note the changes in our bid increments effective immediately.

| Current Bid | Bid Increment | Current Bid | Bid Increment |
|---------------------|---------------|---------------------------|------------------|
| <\$10 |\$1 | \$20,000 - \$29,999 |\$2,000 |

| \$10,000 - \$19,999 |\$1,000 | | |

12. If Auctioneer calls for a full increment, a floor/phone bidder may request Auctioneer to accept a bid at half of the increment ("Cut Bid") which will be that bidders final bid; if the Auctioneer solicits bids other the expected increment, they will not be considered Cut Bids, and bidders accepting such

increments may continue to participate.

Conducting the Auction:

13. Notice of the consignor's liberty to place bids on his lots in the Auction is hereby made in accordance with Article 2 of the Texas Uniform Commercial Code. A "Minimum Bid" is an amount below which the lot will not sell. THE CONSIGNOR OF PROPERTY MAY PLACE WRITTEN "Minimum Bids" ON HIS LOTS IN ADVANCE OF THE AUCTION; ON SUCH LOTS, IF THE HAMMER PRICE DOES NOT MEET THE "Minimum Bid", THE CONSIGNOR MAY PAY A REDUCED COMMISSION ON THOSE LOTS. "Minimum Bids" are generally posted online several days prior to the Auction closing. For any successful bid placed by a consignor on his Property on the Auction floor, or by any means during the live session, or after the "Minimum Bid" for an Auction have been posted, we will require the consignor to pay full Buyer's Premium and Seller's Commissions on such lot.
14. The highest qualified Bidder shall be the buyer. In the event of any dispute between floor Bidders at a Signature Auction, Auctioneer may at his sole discretion reoffer the lot. Auctioneer's decision and declaration of the winning Bidder shall be final and binding upon all Bidders.
15. Auctioneer reserves the right to refuse to honor any bid or to limit the amount of any bid which, in his sole discretion, is not submitted in "Good Faith," or is not supported by satisfactory credit, numismatic references, or otherwise. A bid is considered not made in "Good Faith" when an insolvent or irresponsible person, or a person under the age of eighteen makes it. Regardless of the disclosure of his identity, any bid by a consignor or his agent on a lot consigned by him is deemed to be made in "Good Faith." Any person apparently appearing on the OFAC list is not eligible to bid.
16. Nominal Bids. The Auctioneer in its sole discretion may reject nominal bids, small opening bids, or very nominal advances. If a lot bearing estimates fails to open for 40 -60% of the low estimate, the Auctioneer may pass the item or may place a protective bid on behalf of the consignor.
17. Lots bearing bidding estimates shall open at Auctioneer's discretion (approximately 50% of the low estimate). In the event that no bid meets or exceeds that opening amount, the lot shall pass as unsold.
18. All items are to be purchased per lot as numerically indicated and no lots will be broken. Bids will be accepted in whole dollar amounts only. No "buy" or "unlimited" bids will be accepted. Off-increment bids may be accepted by the Auctioneer at Signature Auctions and Grand Format Auctions. Auctioneer reserves the right to withdraw, prior to the close, any lots from the Auction.
19. Auctioneer reserves the right to rescind the sale in the event of nonpayment, breach of a warranty, disputed ownership, auctioneer's clerical error or omission in exercising bids and reserves, or otherwise.
20. Auctioneer occasionally experiences Internet and/or Server service outages during which Bidders cannot participate or place bids. If such outage occurs, we may at our discretion extend bidding for the auction. This policy applies only to widespread outages and not to isolated problems that occur in various parts of the country from time to time. Auctioneer periodically schedules system downtime for maintenance and other purposes, which may be covered by the Outage Policy. Bidders unable to place their Bids through the Internet are directed to bid through Client Services at 1-800-872-6467.
21. The Auctioneer or its affiliates may consign items to be sold in the Auction, and may bid on those lots or any other lots. Auctioneer or affiliates expressly reserve the right to modify any such bids at any time prior to the hammer based upon data made known to the Auctioneer or its affiliates. The Auctioneer may extend advances, guarantees, or loans to certain consignors, and may extend financing or other credits at varying rates to certain Bidders in the auction.
22. The Auctioneer has the right to sell certain unsold items after the close of the Auction; Such lots shall be considered sold during the Auction and all these Terms and Conditions shall apply to such sales including but not limited to the Buyer's Premium, return rights, and disclaimers.

Payment:

23. All sales are strictly for cash in United States dollars. Cash includes: U.S. currency, bank wire, cashier checks, travelers checks, and bank money orders, all subject to reporting requirements. Checks may be subject to clearing before delivery of the purchases. Heritage reserves the right to determine if a check constitutes "good funds" when drawn on a U.S. bank for ten days, and thirty days when drawn on an international bank. Credit Card (Visa or Master Card only) and PayPal payments may be accepted up to \$10,000 from non-dealers at the sole discretion of the auctioneer, subject to the following limitations: a) sales are only to the cardholder; b) purchases are shipped to the cardholder's registered and verified address, c) Auctioneer may pre-approve the cardholder's credit line, d) a credit card transaction may not be used in conjunction with any other financing or extended terms offered by the Auctioneer, and must transact immediately upon invoice presentation, e) rights of return are governed by these Terms and Conditions, which supersede those conditions promulgated by the card issuer, f) floor Bidders must present their card.
24. Payment is due upon closing of the Auction session, or upon presentment of an invoice. Auctioneer reserves the right to void an invoice if payment in full is not received within 7 days after the close of the Auction.
25. Lots delivered in the States of Texas, California, or other states where the Auction may be held, are subject to all applicable state and local taxes, unless appropriate permits are on file with us. Bidder agrees to pay Auctioneer the actual amount of tax due in the event that sales tax is not properly collected due to: 1) an expired, inaccurate, inappropriate tax certificate or declaration, 2) an incorrect interpretation of the applicable statute, 3) or any other reason. The appropriate form or certificate must be on file at and verified by Heritage five days prior to Auction or tax must be paid; only if such form or certificate is received by Heritage within 4 days of the Auction can a tax refund be made. Lots from different Auctions may not be aggregated for sales tax purposes.
26. In the event that a Bidder's payment is dishonored upon presentment(s), Bidder shall pay the maximum statutory processing fee set by applicable state law.
27. If any Auction invoice submitted by Auctioneer is not paid in full when due, the unpaid balance will bear interest at the highest rate permitted by law from the date of invoice until paid. If the Auctioneer refers any invoice to an attorney for collection, the buyer agrees to pay attorney's fees, court costs, and other collection costs incurred by Auctioneer. If Auctioneer assigns collection to its in-house legal staff, such attorney's time expended on the matter shall be compensated at a rate comparable to the hourly rate of independent attorneys.
28. In the event a successful Bidder fails to pay all amounts due, Auctioneer reserves the right to resell the merchandise, and such Bidder agrees to pay for the reasonable costs of resale, including a 0% seller's commission, and also to pay any difference between the resale price and the price of the previously successful bid.
29. Auctioneer reserves the right to require payment in full in good funds before delivery of the merchandise.
30. Auctioneer shall have a lien against the merchandise purchased by the buyer to secure payment of the Auction invoice. Auctioneer is further granted a lien and the right to retain possession of any other property of the buyer then held by the Auctioneer or its affiliates to secure payment of any Auction invoice or any other amounts due the Auctioneer or affiliates from the buyer. With respect to these lien rights, Auctioneer shall have all the rights of a secured creditor under Article 9 of the Texas Uniform Commercial Code, including but not limited to the right of sale. In addition,

TERMS AND CONDITIONS OF AUCTION (CONT.)

with respect to payment of the Auction invoice(s), the buyer waives any and all rights of offset he might otherwise have against the Auctioneer and the consignor of the merchandise included on the invoice. If a Bidder owes Auctioneer or its affiliates on any account, Auctioneer and its affiliates shall have the right to offset such unpaid account by any credit balance due Bidder, and it may secure by possessory lien any unpaid amount by any of the Bidder's property in their possession.

31. Title shall not pass to the successful Bidder until all invoices are paid in full. It is the responsibility of the buyer to provide adequate insurance coverage for the items once they have been delivered.

Delivery; Shipping and Handling Charges:

32. Shipping and handling charges will be added to invoices. Please refer to Auctioneer's website www.HA.com/common/shipping.php for the latest charges or call Auctioneer. Auctioneer is unable to combine purchases from other auctions or affiliates into one package for shipping purposes. Lots won will be shipped in a commercially reasonable time after payment in good funds is received or credit extended, except when third-party shipment occurs.
33. Successful overseas Bidders shall provide written shipping instructions, including specified customs declarations, to the Auctioneer for any lots to be delivered outside of the United States. NOTE: Declaration value shall be the item(s) hammer price together with its buyer's premium.
34. All shipping charges will be borne by the successful Bidder. Any risk of loss during shipment will be borne by the buyer following Auctioneer's delivery to the designated common carrier or third-party shipper, regardless of domestic or foreign shipment.
35. Due to the nature of some items sold, it shall be the responsibility for the successful bidder to arrange pick-up and shipping through third-parties; as to such items Auctioneer shall have no liability.
36. The laws of various countries regulate the import or export of certain plant and animal properties, including (but not limited to) items made of (or including) ivory, whalebone, turtleshell, coral, crocodile, or other wildlife. Transport of such lots may require special licenses for export, import, or both. Bidder is responsible for: 1) obtaining all information on such restricted items for both export and import; 2) obtaining all such licenses and/or permits. Delay or failure to obtain any such license or permit does not relieve the buyer of timely compliance with standard payment terms. For further information, please contact Bill Taylor at 800-872-6467 ext. 1280.
37. Any request for shipping verification for undelivered packages must be made within 30 days of shipment by Auctioneer.

Cataloging, Warranties and Disclaimers:

38. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY DESCRIPTION CONTAINED IN THIS AUCTION OR ANY SECOND OPINE. Any description of the items or second opine contained in this Auction is for the sole purpose of identifying the items for those Bidders who do not have the opportunity to view the lots prior to bidding, and no description of items has been made part of the basis of the bargain or has created any express warranty that the goods would conform to any description made by Auctioneer. Color variations can be expected in any electronic or printed imaging, and are not grounds for the return of any lot.
39. Auctioneer is selling only such right or title to the items being sold as Auctioneer may have by virtue of consignment agreements on the date of auction and disclaims any warranty of title to the Property. Auctioneer disclaims any warranty of merchantability or fitness for any particular purposes.
40. Translations of foreign language documents may be provided as a convenience to interested parties. Heritage makes no representation as to the accuracy of those translations and will not be held responsible for errors in bidding arising from inaccuracies in translation.
41. Auctioneer disclaims all liability for damages, consequential or otherwise, arising out of or in connection with the sale of any Property by Auctioneer to Bidder. No third party may rely on any benefit of these Terms and Conditions and any rights, if any, established hereunder are personal to the Bidder and may not be assigned. Any statement made by the Auctioneer is an opinion and does not constitute a warranty or representation. No employee of Auctioneer may alter these Terms and Conditions, and, unless signed by a principal of Auctioneer, any such alteration is null and void.
42. Auctioneer shall not be liable for breakage of glass or damage to frames (patent or latent); such defects, in any event, shall not be a basis for any claim for return or reduction in purchase price.

Release:

43. In consideration of participation in the Auction and the placing of a bid, Bidder expressly releases Auctioneer, its officers, directors and employees, its affiliates, and its outside experts that provide second opinions, from any and all claims, cause of action, chose of action, whether at law or equity or any arbitration or mediation rights existing under the rules of any professional society or affiliation based upon the assigned description, or a derivative theory, breach of warranty express or implied, representation or other matter set forth within these Terms and Conditions of Auction or otherwise. In the event of a claim, Bidder agrees that such rights and privileges conferred therein are strictly construed as specifically declared herein; e.g., authenticity, typographical error, etc. and are the exclusive remedy. Bidder, by non-compliance to these express terms of a granted remedy, shall waive any claim against Auctioneer.
44. Notice: Some Property sold by Auctioneer are inherently dangerous e.g. firearms, cannons, and small items that may be swallowed or ingested or may have latent defects all of which may cause harm to a person. Purchaser accepts all risk of loss or damage from its purchase of these items and Auctioneer disclaims any liability whether under contract or tort for damages and losses, direct or inconsequential, and expressly disclaims any warranty as to safety or usage of any lot sold.

Dispute Resolution and Arbitration Provision:

45. By placing a bid or otherwise participating in the auction, Bidder accepts these Terms and Conditions of Auction, and specifically agrees to the alternative dispute resolution provided herein. Arbitration replaces the right to go to court, including the right to a jury trial.
46. Auctioneer in no event shall be responsible for consequential damages, incidental damages, compensatory damages, or other damages arising from the auction of any lot. In the event that Auctioneer cannot deliver the lot or subsequently it is established that the lot lacks title, or other transfer or condition issue is claimed, Auctioneer's liability shall be limited to rescission of sale and refund of purchase price; in no case shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot. After one year has elapsed, Auctioneer's maximum liability shall be limited to any commissions and fees Auctioneer earned on that lot.
47. In the event of an attribution error, Auctioneer may at its sole discretion, correct the error on the Internet, or, if discovered at a later date, to refund the buyer's purchase price without further obligation.

48. Arbitration Clause: All controversies or claims under this Agreement or arising from or pertaining to: this Agreement or related documents, or to the Properties consigned hereunder, or the enforcement or interpretation hereof of this or any related agreements, or damage to Properties, payment, or any other matter, or because of an alleged breach, default or misrepresentation under the provisions hereof or otherwise, that cannot be settled amicably within one (1) month from the date of notification of either party to the other of such dispute or question, which notice shall specify the details of such dispute or question, shall be settled by final and binding arbitration by one arbitrator appointed by the American Arbitration Association ("AAA"). The arbitration shall be conducted in Dallas, Dallas County, Texas in accordance with the then existing Commercial Arbitration Rules of the AAA. The arbitration shall be brought within two (2) years of the alleged breach, default or misrepresentation or the claim is waived. The prevailing party (a party that is awarded substantial and material relief on its claim or defense) may be awarded its reasonable attorney's fees and costs. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof; provided, however, that the law applicable to any controversy shall be the law of the State of Texas, regardless of its or any other jurisdiction's choice of law principles and under the provisions of the Federal Arbitration Act.

49. No claims of any kind can be considered after the settlements have been made with the consignors. Any dispute after the settlement date is strictly between the Bidder and consignor without involvement or responsibility of the Auctioneer.

50. In consideration of their participation in or application for the Auction, a person or entity (whether the successful Bidder, a Bidder, a purchaser and/or other Auction participant or registrant) agrees that all disputes in any way relating to, arising under, connected with, or incidental to these Terms and Conditions and purchases, or default in payment thereof, shall be arbitrated pursuant to the arbitration provision. In the event that any matter including actions to compel arbitration, construe the agreement, actions in aid or arbitration or otherwise needs to be litigated, such litigation shall be exclusively in the Courts of the State of Texas, in Dallas County, Texas, and if necessary the corresponding appellate courts. The successful Bidder, purchaser, or Auction participant also expressly submits himself to the personal jurisdiction of the State of Texas.

51. These Terms & Conditions provide specific remedies for occurrences in the auction and delivery process. Where such remedies are afforded, they shall be interpreted strictly. Bidder agrees that any claim shall utilize such remedies; Bidder making a claim in excess of those remedies provided in these Terms and Conditions agrees that in no case whatsoever shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot.

Miscellaneous:

52. Agreements between Bidders and consignors to effectuate a non-sale of an item at Auction, inhibit bidding on a consigned item to enter into a private sale agreement for said item, or to utilize the Auctioneer's Auction to obtain sales for non-selling consigned items subsequent to the Auction, are strictly prohibited. If a subsequent sale of a previously consigned item occurs in violation of this provision, Auctioneer reserves the right to charge Bidder the applicable Buyer's Premium and consignor a Seller's Commission as determined for each auction venue and by the terms of the seller's agreement.
53. Acceptance of these Terms and Conditions qualifies Bidder as a Heritage customer who has consented to be contacted by Heritage in the future. In conformity with "do-not-call" regulations promulgated by the Federal or State regulatory agencies, participation by the Bidder is affirmative consent to being contacted at the phone number shown in his application and this consent shall remain in effect until it is revoked in writing. Heritage may from time to time contact Bidder concerning sale, purchase, and auction opportunities available through Heritage and its affiliates and subsidiaries.

ADDITIONAL TERMS AND CONDITIONS OF AUCTION

Additional Terms & Conditions: COINS & CURRENCY

COINS and CURRENCY TERM A: Signature Auctions are not on approval. No certified material may be returned because of possible differences of opinion with respect to the grade offered by any third-party organization, dealer, or service. No guarantee of grade is offered for uncertified Property sold and subsequently submitted to a third-party grading service. There are absolutely no exceptions to this policy. Under extremely limited circumstances, (e.g. gross cataloging error) a purchaser, who did not bid from the floor, may request Auctioneer to evaluate voiding a sale: such request must be made in writing detailing the alleged gross error; submission of the lot to the Auctioneer must be pre-approved by the Auctioneer; and bidder must notify Ron Brackemyre (1-800-8726467 Ext. 1312) in writing of such request within three (3) days of the non-floor bidder's receipt of the lot. Any lot that is to be evaluated must be in our offices within 30 days after Auction. Grading or method of manufacture do not qualify for this evaluation process nor do such complaints constitute a basis to challenge the authenticity of a lot. AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY. Lots returned must be housed intact in their original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others) except for authenticity. Late remittance for purchases may be considered just cause to revoke all return privileges.

COINS and CURRENCY TERM B: Auctions conducted solely on the Internet THREE (3) DAY RETURN POLICY: Certified Coin and Uncertified Currency lots paid for within seven days of the Auction closing are sold with a three (3) day return privilege. Third party graded notes are not returnable for any reason whatsoever. You may return lots under the following conditions: Within three days of receipt of the lot, you must first notify Auctioneer by contacting Client Service by phone (1-800-872-6467) or e-mail (Bid@HA.com), and immediately ship the lot(s) fully insured to the attention of Returns, Heritage, 3500 Maple Avenue, 17th Floor, Dallas TX 75219-3941. Lots must be housed intact in their original holder and condition. You are responsible for the insured, safe delivery of any lots. A non-negotiable return fee of 5% of the purchase price (\$10 per lot minimum) will be deducted from the refund for each returned lot or billed directly. Postage and handling fees are not refunded. After the three-day period (from receipt), no items may be returned for any reason. Late remittance for purchases revokes these Return privileges.

COINS and CURRENCY TERM C: Bidders who have inspected the lots prior to any Auction will not be granted any return privileges, except for reasons of authenticity.

COINS and CURRENCY TERM D: Coins sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that they are genuine. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: ANACS, P.O. Box 200300, Austin, TX 78720-0300; Numismatic Guaranty Corporation (NGC), P.O. Box 4776, Sarasota, FL 34230; Professional Coin Grading Service (PCGS), PO Box 9458, Newport Beach, CA 92658; and Independent Coin Grading Co. (ICG), 7901 East Belleview Ave., Suite 50, Englewood, CO 80111.

COINS and CURRENCY TERM E: Notes sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for guarantee by Auctioneer that they are genuine. Grading, condition or other attributes of any lot may have a material effect on its value, and the opinion of others, including third-party grading services such as PCGS Currency, PMG, and CGA may differ with that of Auctioneer. Auctioneer shall not be bound by any prior or subsequent opinion, determination, or certification by any grading service. Bidder specifically waives any claim to right of return of any item because of the opinion, determination, or certification, or lack thereof, by any grading service. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Paper Money Guaranty (PMG), PO Box 4711, Sarasota FL 34230; PCGS Currency, PO Box 9458, Newport Beach, CA 92658; Currency Grading & Authentication (CGA), PO Box 418, Three Bridges, NJ 08887. Third party graded notes are not returnable for any reason whatsoever.

COINS and CURRENCY TERM F: Since we cannot examine encapsulated coins or notes, they are sold "as is" without our grading opinion, and may not be returned for any reason. Auctioneer shall not be liable for any patent or latent defect or controversy pertaining to or arising from any encapsulated collectible. In any such instance, purchaser's remedy, if any, shall be solely against the service certifying the collectible.

COINS and CURRENCY TERM G: Due to changing grading standards over time, differing interpretations, and to possible mishandling of items by subsequent owners, Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompany the items. Auctioneer also reserves the right to grade items differently than the grades shown in the prior catalog should such items be reconsigned to any future auction.

COINS and CURRENCY TERM H: Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot is broken out of a plastic holder and resubmitted to another grading service or even to the same service, the lot could come back with a different grade assigned.

COINS and CURRENCY TERM I: Certification does not guarantee protection against the normal risks associated with potentially volatile markets. The degree of liquidity for certified coins and collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

COINS and CURRENCY TERM J: All non-certified coins and currency are guaranteed genuine, but are not guaranteed as to grade, since grading is a matter of opinion, an art and not a science, and therefore the opinion rendered by the Auctioneer or any third party grading service may not agree with the opinion of others (including trained experts), and the same expert may not grade the same item with the same grade at two different times. Auctioneer has graded the non-certified numismatic items, in the Auctioneer's opinion, to their current interpretation of the American Numismatic Association's standards as of the date the catalog was prepared. There is no guarantee or warranty implied or expressed that the grading standards utilized by the Auctioneer will meet the standards of any grading service at any time in the future.

COINS and CURRENCY TERM K: Storage of purchased coins and currency: Purchasers are advised that certain types of plastic may react with a coin's metal or transfer plasticizer to notes and may cause damage. Caution should be used to avoid storage in materials that are not inert.

COINS and CURRENCY TERM L: NOTE: Purchasers of rare coins or currency through Heritage have available the option of arbitration by the Professional Numismatists Guild (PNG); if an election is not made within ten (10) days of an unresolved dispute, Auctioneer may elect either PNG or A.A.A. Arbitration.

COINS and CURRENCY TERM M: For more information regarding Canadian lots attributed to the Charlton reference guides, please contact: Charlton International, PO Box 820, Station Willowdale B, North York, Ontario M2K 2R1 Canada.

Mail Bidding at Auction

Mail bidding at auction is fun and easy and only requires a few simple steps.

1. Look through the catalog, and determine the lots of interest.
2. Research their market value by checking price lists and other price guidelines.
3. Fill out your bid sheet, entering your maximum bid on each lot using your price research and your desire to own the lot.

4. Verify your bids!

5. Mail Early. Preference is given to the first bids received in case of a tie. When bidding by mail, you frequently purchase items at less than your maximum bid.

Bidding is opened at the published increment above the second highest mail or Internet bid; we act on your behalf as the highest mail bidder. If bidding proceeds, we act as your agent, bidding in increments over the previous bid. This process is continued until you are awarded the lot or you are outbid.

An example of this procedure: You submit a bid of \$100, and the second highest mail bid is at \$50. Bidding starts at \$51 on your behalf. If no other bids are placed, you purchase the lot for \$51. If other bids are placed, we bid for you in the posted increments until we reach your maximum bid of \$100. If bidding passes your maximum: if you are bidding through the Internet, we will contact you by e-mail; if you bid by mail, we take no other action. Bidding continues until the final bidder wins.

Heritage Auction Galleries Staff

Steve Ivy - Co-Chairman and CEO

Steve Ivy began collecting and studying rare coins in his youth, and as a teenager in 1963 began advertising coins for sale in national publications. Seven years later, at the age of twenty, he opened Steve Ivy Rare Coins in downtown Dallas, and in 1976, Steve Ivy Numismatic Auctions was incorporated. Steve managed the business as well as serving as chief numismatist, buying and selling hundreds of millions of dollars of coins during the 1970s and early 1980s. In early 1983, James Halperin became a full partner, and the name of the corporation was changed to Heritage Rare Coin Galleries. Steve's primary responsibilities now include management of the marketing and selling efforts of the company, the formation of corporate policy for long-term growth, and corporate relations with financial institutions. He remains intimately involved in numismatics, attending all major national shows. Steve engages in daily discourse with industry leaders on all aspects of the rare coin/currency business, and his views on grading, market trends and hobby developments are respected throughout the industry. He serves on the Board of Directors of the Professional Numismatists Guild (and was immediate past president), is the current Chairman of The Industry Council for Tangible Assets, and is a member of most leading numismatic organizations. Steve's keen appreciation of history is reflected in his active participation in other organizations, including past or present board positions on the Texas Historical Foundation and the Dallas Historical Society (where he also served as Exhibits Chairman). Steve is an avid collector of Texas books, manuscripts, and national currency, and he owns one of the largest and finest collections in private hands. He is also a past Board Chair of Dallas Challenge, and is currently the Finance Chair of the Phoenix House of Texas.

James Halperin - Co-Chairman

Jim Halperin and the traders under his supervision have transacted billions of dollars in rare coin business, and have outsold all other numismatic firms every year for over two decades. Born in Boston in 1952, Jim attended Middlesex School in Concord from 1966 to 1970. At the age of 15, he formed a part-time rare coin business after discovering that he had a knack (along with a nearly photographic memory) for coins. Jim scored a perfect 800 on his math SATs and received early acceptance to Harvard College, but after attending three semesters, he took a permanent leave of absence to pursue his full-time numismatic career. In 1975, Jim personally supervised the protocols for the first mainframe computer system in the numismatic business, which would catapult New England Rare Coin Galleries to the top of the industry in less than four years. In 1983, Jim merged with his friend and former archrival Steve Ivy, whom Jim had long admired. Their partnership has become the world's largest and most successful numismatic company, as well as the third-largest auctioneer in America. Jim remains arguably the best "eye" in the coin business today (he won the professional division of the PCGS World Series of Grading). In the mid-1980s, he authored "How to Grade U.S. Coins" (now posted on the web at www.CoinGrading.com), a highly-acclaimed text upon which the NGC and PCGS grading standards would ultimately be based. Jim is a bit of a Renaissance man, as a well-known futurist, an active collector of EC comics and early 20th-century American art (visit www.jhalpe.com), venture capital investor, philanthropist (he endows a multimillion-dollar health education foundation), and part-time novelist. Greg Rohan - President

At the age of eight, Greg Rohan started collecting coins as well as buying them for resale to his schoolmates. By 1971, at the age of ten, he was already buying and selling coins from a dealer's table at trade shows in his hometown of Seattle. His business grew rapidly, and by 1985 he had offices in both Seattle and Minneapolis. He joined Heritage in 1987 as Executive Vice-President and Manager of the firm's rare coin business. Today, as an owner and as President of Heritage, his responsibilities include overseeing the firm's private client group and working with top collectors in every field in which Heritage is active. Greg has been involved with many of the rarest items and most important collections handled by the firm, including the purchase and/or sale of the Ed Trompeter Collection (the world's largest numismatic purchase according to the Guinness Book of World Records), the legendary 1894 San Francisco Dime, the 1838 New Orleans Half Dollar, and the 1804 Silver Dollar. During his career, Greg has handled more than \$1 billion of rare coins, collectibles and art, and provided expert consultation concerning the authenticity and grade condition of coins for the Professional Coin Grading Service (PCGS). He has provided expert testimony for the United States Attorneys in San Francisco, Dallas, and Philadelphia, and for the Federal Trade Commission (FTC). He has worked with collectors, consignors, and their advisors regarding significant collections of books, manuscripts, comics, currency, jewelry, vintage movie posters, sports and entertainment memorabilia, decorative arts, and fine art. Additionally, Greg is a Sage Society member of the American Numismatic Society, and a member/life member of the PNG, ANA, and most other leading numismatic organizations. Greg is also Chapter Chairman for North Texas of the Young Presidents' Organization (YPO), and is an active supporter of the arts. Mr. Rohan currently serves on the seven-person Advisory Board to the Federal Reserve Bank of Dallas, in his second appointed term. He and his wife, Lysa, are avid collectors of rare wine, Native American artifacts, and American art.

Paul Minshull - Chief Operating Officer

As Chief Operating Officer, Paul Minshull's managerial responsibilities include integrating sales, personnel, inventory, security and MIS for Heritage. His major accomplishments include overseeing the hardware migration from mainframe to PC, the software migration of all inventory and sales systems, and implementation of a major Internet presence. Heritage's successful employee-suggestion program has generated 200 or more ideas each month since 1995, and has helped increase employee productivity, expand business, and improve employee retention. Paul oversees the company's highly-regarded IT department, and has been the driving force behind Heritage's web development, now a significant portion of Heritage's future plans. As the only numismatic auction house that combines traditional floor bidding with active Internet bidding, the totally interactive system has catapulted Heritage to the top rare coin website (according to Forbes Magazine's "Best of the Web"). Paul was born in Michigan and came to Heritage in 1984 after 12 years as the General Manager of a plastics manufacturing company in Ann Arbor. Since 1987, he has been a general partner in Heritage Capital Properties, Sales Manager, Vice President of Operations, and Chief Operating Officer for all Heritage companies and affiliates since 1996. **Todd Imhof - Vice President**

Unlike most professional numismatists, Todd Imhof did not start as a coin collector. Shortly after graduating college in 1987, Todd declined an offer from a prestigious Wall Street bank to join a former high school classmate who was operating a small rare coin company in the Seattle area. The rare coin industry was then undergoing huge changes after the advent of certified grading and growing computer technologies. Being new to the industry, Todd had an easier time than most embracing the new dynamics. He soon discovered a personal passion for rare coins, and for working with high-level collectors. Through his accomplishments, Todd enjoys a reputation envied by the entire numismatic community. During his earlier tenure with Hertzberg Rare Coins, it was named by Inc. magazine as one of the nation's fastest growing private companies 1989-1991. In 1991, Todd co-founded Pinnacle Rarities, Inc., a boutique-styled firm that specialized in servicing the rare coin industry's savviest and most prominent collectors. At 25, he was among the youngest people ever accepted into the Professional Numismatists Guild, and currently serves on its Consumer Protection Committee. In 1992, he was invited to join the Board of Directors for the Industry Council for Tangible Assets, serving as its Chairman 2002-2005. Todd served as Pinnacle's President until his decision to join Heritage in 2006. In the Morse Auction, he became the only person in history to purchase two \$1mm+ coins during a single auction session! Todd serves Heritage's Legacy clients, many of whom had previously sought his counsel and found his expertise and integrity to be of great value. Todd really understands what collectors are trying to accomplish, and he has an uncanny ability to identify the perfect coins at the right prices while navigating complex and difficult deals with unsurpassed professionalism.

David's main collecting interest is in all things Texas, specializing in currency and documents from the Republic of Texas. After serving as a Senior Manager and Consignment Director in other collectible fields outside of numismatics, Sam returned to Heritage in 2002 as a Consignment Director in time to help Heritage's expansion into other collectibles. Sam travels the country assisting clients who wish to liquidate their collections of coins, paper money, decorative arts, and sports collectibles. To Sam, helping consignors make the best decisions to maximize their returns from auctioning their properties is the most rewarding part of his job. He has successfully concluded more than 40,000 transactions on eBay, selling millions of dollars of rare coins to satisfied clients. Bob is now a Consignment Director, assisting consignors in placing their coins and collectibles in the best of the many Heritage venues – in short, maximizing their return on many of the coins that he sold to them previously! **Mike Sadler - Consignment Director**

Mike Sadler joined the Heritage team in September 2003. Mike attended the United States Air Force Academy, earning a degree in civil engineering and pinned on his silver wings in June 1985. After seven years flying various aircraft, he joined American Airlines where he still pilots. More than once, Mike has surprised Heritage employees serving as their pilot while they flew to shows, conventions, and to visit clients. Like so many of our clients, Mike started putting together sets of coins from circulation when he was a small boy, and that collection grew to go to the auction block with Heritage in January 2004. Before coming to Heritage, his unlimited access to air travel enabled him to attend coin shows all around the country. He gained a tremendous knowledge of rare coins and developed an outstanding eye for quality. He is a trusted friend and colleague to many of today's most active collectors. Having been a collector for so long, and a Heritage consignor himself, Mike understands the needs of the collector and what Heritage can offer. Mike is married, has three children, and enjoys coaching and playing lacrosse.

**Katherine Kurachek - Consignment Director**

Katherine grew up in Sarasota, Florida, graduated from the University of Mississippi in 1993 as an art major, and then resided in Colorado (where she opened a pizzeria!) before moving to Dallas. Acting on a suggestion from her father, an avid collector of type coins and a client of Steve Ivy for more than two decades, Katherine came to Heritage in January 2003. She worked alongside Leo Frese for several years, honing her experience in dealing with the numismatic wholesale trade. Taking care of the needs of our dealer-consignors includes soliciting the consignments, inputting the material into our computer systems, and ensuring the smooth flow of the consignment through the many production processes. Katherine is now frequently traveling to coin shows to represent Heritage and service her dealer accounts. In her spare time, she enjoys gardening, golf, hiking, fly-fishing, and walking her two Akitas (Moses and April). Katherine has finally inherited her father's love of these pieces of history, and currently collects love tokens and counterstamps.

**Harvey Gamer - Consignment Director**

Harv Gamer has been collecting coins since the mid-1950s, but unlike most young collectors then, he pursued world coins. After his service, he started on the coin show circuit, traveling regularly around the U.S. and Canada. In more recent years, Harv operated his own coin store in Canada. When his wife was offered a job transfer to Dallas, Harv joined the Heritage team. He just celebrated his 25th ANA anniversary, and is also a member of CNA, CNS, AINA, TAMS, and NTCA. **Jason Friedman - Consignment Director**

Jason's interest in rare coins began at the age of twelve when he discovered a bag of Wheat cents and Liberty nickels in his garage. His collecting interest expanded to Morgans and dealing in various coinage. Jason's numismatic business allowed him to pay for most of his college tuition while working part time and attending classes full time. Jason earned his degree in business from the University of North Texas in 2005. Shortly after, he joined Heritage and was able to turn his passion for numismatics into a career. His computer skills and coordinator background are invaluable tools in accessing all levels of expertise at Heritage. Jason enjoys interacting with clients and assisting them in every aspect of the auction process. Apart from his director position, Jason finds it particularly gratifying phone bidding on clients' behalf. He is a member of the American Numismatic Association (ANA) and Florida United Numismatists (FUN).
